EMBRAER ERJ-145

A proven runway legend.

The ERJ145 is the largest of the ERJ family, its spacious cabin can comfortably accommodate 48 passengers with no hassle.

In the cabin, every last detail has been considered. From large windows that give you a great outside view to the overhead storage compartments that feature space-saving retractable panels.

ERJ145 features a profound in-flight entertainment system, Hi-tech accessibility that allows you to get business done onboard.

In addition to its number of features the ERJ145 has a regional flight range of 3700km. It is definitely the best option for your next charter.

Keeping safety and efficiency at peak, the ERJ145 was also designed for a wide economical flexibility. Last-minute flight changes are easy to manage due to benefits of a common family. This and many more economical attributes puts it ahead of its competitors, making it possible to charter the ERJ at cheaper rate in compare to others.

ERJ145 Specifications

Weights & Payload
